

# THE AUSTRALIAN INSTITUTE OF ARCHITECTS CITATION FOR LIFE FELLOWSHIP – PROFESSOR GRAHAM BRAWN

*Professor Graham Brawn has made an outstanding and distinguished contribution to architectural education, design practice and the promotion of the architecture profession in Victoria.*

*As Chair of Architecture at The University of Melbourne from 1980 until 2007, he pioneered in Victoria, the initiation of graduate programs in architectural design, facility planning and management, and workplace planning and design.*

*An outstanding and perceptive design critic, he has been a mentor to generations of young Victorian architects, encouraging and promoting many to succeed locally and overseas.*

*Professor Brawn has also given outstanding service to architectural design and practice in Victoria, through his specialist consulting in pre-design and design of justice and correctional services buildings, and especially in the field of indigenous justice where he is acknowledged as a national expert.*

*Professor Brawn has also made substantial contribution to the advancement of design culture within the architecture profession.*

*He was a key member of the team of architects which established the Architecture International lecture series (1980-1988) that were attended by thousands of architects and students over nine years and became a landmark cultural event in Australian architecture.*

*In the early 1980s, Professor Brawn was an instrumental player in the RAIA Victoria Chapter's expansion and elaboration of its awards program.*

*The inclusive approach to the granting of peer recognition through architecture awards has since become the model for the RAIA National Awards Program.*
