

THE AUSTRALIAN INSTITUTE OF ARCHITECTS CITATION FOR LIFE FELLOWSHIP – PETER WILLIAMS

Peter Williams has made an outstanding and distinguished contribution to the profession and practice of architecture through his work as a practitioner and member of numerous design, heritage and education boards and committees. He was a founding member of the Architecture International Series and the RAIA Monograph publications in the early 1980's. He has had a long participation in education policy at a State and National level as a member and Chairman of the Architects Registration Board of Victoria and as President of AACA.

Peter has had an ongoing interest in heritage issues from a designer's point of view and was appointed in 2000 as a member of the Heritage Council of Victoria. More recently he was selected by the Australian Trade Commission to participate in the Australia China Architects Mission in 2003. His architectural practice has been widely acknowledged with numerous awards and publications and Peter is a respected designer with over 3 decades of practice experience. The practice continues to be a leader in Ecological Sustainable Development (ESD) and has gained two (2) Australian Government grants in partnership with Deakin University to investigate the implementation of ESD buildings. Peter is a passionate advocate for the profession and has worked tirelessly in many arenas to advance the culture of architecture.
